

Pavilion Schools' Display

Best Display \$200

Entry is Free, but please register your intent to take part at the Show Office.

Generously Sponsored by: Dan Carey

This Year's Theme:

"Pollinators – we cannot survive without them"

Pollinators include honeybees, native bees, insects, birds, bats, and animals. Schools can choose to feature one pollinator or several, and the display could include art, models, writing, etc.

Each school can choose to interpret this theme as they wish.

The colour theme for 2025 is GREEN, so you may like to incorporate this.

Displays can be set up any time from 10 am Monday 24th February to Thursday 27th February.

A key to the pavilion will be needed, so please contact the Show Office (located in the Old Courthouse Building, next to the Police Station) on 0427 070 341, between 10 am and 5 pm.
